

BASIC COASTER INSTRUCTIONS

- Color 1: Sew on stabilizer. This is the dieline that shows where to lay vinyl.

- Color 2. Lay down vinyl. Tape to stabilizer. Sew color 2. This is the dieline for where to lay inner color

- Color 3. Tack down of inner color. Trim excess fabric from edges of this circle.

- Color 4: Wording + satin stitching around inner circle. Remove from machine and secure vinyl or fabric to back of hoop using pins or tape.

- Color 5: Stitches bottom fabric to design. If desired, you can run this color again (for durability) and skip the last color step.
-
- Color 6: Final satin stitch
