

ITH DOG TAG INSTRUCTIONS

- Hoop Stabilizer. Sew Color 1: Placement line
- Tape a piece of a vinyl to the stabilizer, covering entire placement line.
- Color 1-?: Sew all design elements.
- Stop before last 2 color steps. Remove hoop from machine, pin or tape a piece of vinyl to the back side of hoop.
- Return hoop to machine and stitch final color 2 colors.. Trim around edges, add a 12 mm split ring and a lanyard hook or a lobster clip and add to a cute dog's collar.
