

BANNER INSTRUCTIONS

- Color 1: Sew on stabilizer. This is the placement line to show where to place the fabric after color 3.

- Color 2. Placement stitch for ribbon. Tape a piece of ribbon over the placement stitches before sewing next step.

- Color 3. Tackdown stitch for ribbon. After finishing this step, add the fabric over the placement line of Color 1, and pin well to stabilizer.

- Color 4-? : Sew all decorative stitching, including any applique pieces.

- Final Color: Before stitching this step, Remove hoop from machine and turn to the back side. Attach the back piece of fabric with right side up. Pin securely. Return to machine and sew this color. Trim closely around all the edges being careful not to cut the ribbon ties.
