

CAT AND DOG COASTER/MUG RUG INSTRUCTIONS

- Color 1: Sew on stabilizer. This is the placement line that shows where to lay your batting.

- Color 2. Set batting or flannel. over the placement line Pin to stabilizer. Sew color 2 to tack down.

- Color 3. Placement line for main fabric. Stitch, then lay top piece of fabric right side down, with about 1/4" overlapping the line.

- Color 4: Secures top fabric. Fold this piece up and pin to stabilizer. Lay lower piece of fabric over the same placement line with about 1/4" overlapping the line.

- Color 5: Secures lower fabric. Fold this piece down and pin to stabilizer

- Color 6: Quick stitch around perimeter to secure all layers.

- Color 7-11: Decorative stitching.

- Color 12: Remove from machine, turn hoop to back side and attach the back piece of fabric with right side up. Pin securely. Return to machine and sew this color. Trim closely around all the edges on the top and the bottom fabric pieces.

- Color 13: Return to machine and sew satin stitch to finish the mug rug.
