- (2) 6" x 8" Felt or Vinyl

Scrap felt or vinyl

- For back flap piece

Suggested Tools

- Rotary Cutter and Ruler
- Cropadile to cut holes
- Lighter to heat seal felt edges.

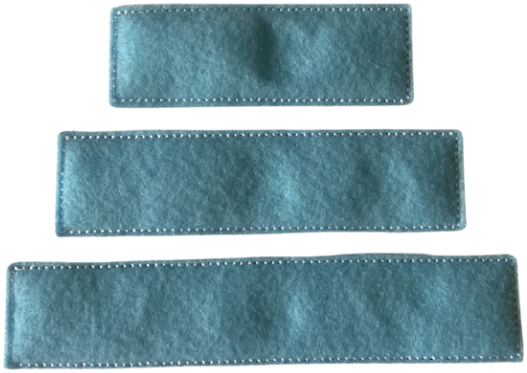

BACK FLAP PIECES INSTRUCTIONS

After completing the pages of your book, measure which flap piece will best fit. In this case, we will use the 3" flap

- Hoop Stabilizer
- Skip first step (no need to stitch the number indicating the length of the flap
- Stitch guide stitches
- Lay felt on top and bottom of stabilizer
- Stitch final stitches.

- Remove from hoop and cut around flap piece.
- Use a lighter to quickly melt any fuzzy pieces around the edges. **See video tutorial HERE.**

BACK PAGE INSTRUCTIONS

- Hoop stabilizer. Stitch color 1 placement stitch.
- Pin felt to stabilizer
- Stitch color 2 to secure felt
- Stitch color 3 which is the placement stitches for the back flap.

- Turn hoop to back side.
- Place flap over guide stitches (right side of flap facing down) and tape securely.
- Return to hoop and sew the tackdown stitches,

- Turn hoop over, add a piece of felt and secure with pins or tape.
- Sew last two steps which secure the back piece and sew the binder holes
- Remove from hoop
- Carefully trip around the edges.
- Use the lighter to heat seal all edges of the page, both front and back

Use a pen to mark the center of the circles. This will help you avoid cutting the threads when you cut out the holes with the Cropadile

Add all pages to binder rings and mark the spot where the flap snap will match the front page snap

Apply snaps

Your quiet book back page is finished!

Use this page to finalize a variety of pages and then use the binder rings to hold all the pages together!
